The Gallery - Episode 1: Call of the Starseed™

A strange message left by your mischievous twin sister, Elsie, will draw you into a mysterious journey filled with bizarre characters, a sinister presence and awe inspiring adventure. Along the way, you will be assisted by a helpful yet unhinged Professor who may harbor ulterior motives of his own. Your search for Elsie will lead you to a cosmic machine that wields incredible power and it will test your will against the forces of a shadowy figure who resides within it.

FOLLOW THE CALL

- Become the hero and experience a deeply immersive adventure inspired by the dark 80's fantasy films we know and love.

Call of the Starseed continues to blow me away - one of **the** most immersive narrative experiences you can possibly find. Staggering achievement.. The whole experience is literally going through a beach and a sewer. After that the story has barely started to begin and they just roll the end credits. The fact that this was one of the first VR games also shows as the movement is a bit clunky at best.
